I found faith through Pathway

I was so encouraged to hear about one family who have been impacted by Pathway's ministry this year. Their eldest daughter faithfully attended one of our lunch clubs for two or three years until she moved to secondary school and went on to join the Christian Union there and wants to be baptised. Now her younger sister has joined the same Pathway club. The sisters asked their parents if they could read the Bible together at home, and then, more recently, if they could go to church. Having continued to ask, the parents who had never been to church, didn't know where to begin and approached our Pathway club's worker to ask how they could start going to church. Our Pathway staff worker was able to invite them along to the church they attend, and the family have been attending regularly ever since and have started a Christianity Explored course. This is just one story. Each statistic above represents another young life reached with the gospel.

The impact is clear but the grant funding is coming to an end, so will you help us sustain this into the future?

VIA STEWARDSHIP

From July 2026 we need to raise an extra £15k/annum

As the grant funding reduces, we will need to increase the regular, ongoing donations by £15k per annum to maintain our current level of staffing and sustain the current level of work. Put simply, without this, will we have to reduce our staff and this will impact our ministry.

Every gift helps Pathway equip churches like yours to share Jesus with children in your community

Can you help us by giving a monthly/quarterly/annual donation towards this target?
