Pathway celebrates the Queen's Jubilee and her testimony of faith.

On 23rd May we celebrated our first concert, "The BIG SING FOR THE JUBILEE", in honour of our Queen's Platinum Jubilee and her amazing testimony of faith.

Over 150 students came to sing with us, each choir performing a song, and then joining together to sing 'Rise up and Serve' by Graham Kendrick and The Rend Collective, especially commissioned for the Jubilee. Two of the schools that took part had no previous connection to Pathway.

As a memento, each child received a t-shirt, a book called "Queen Elizabeth II: The Queen Who Chose To Serve" and a video of the event. This book helped to inspire our theme, as we pointed to Jesus, the servant king.

Over 100 parents came to watch, giving us great feedback. The school teachers were appreciative too, with one teacher saying:

"I'd like to say a Big Thank You from St Catherine's, we had a fabulous time at the Big Sing. There was lots of positive feedback from parents. Thank you for all your hard work in organising this event. It was very well structured, and child friendly. We loved it!"
Becky (teacher)

We are thankful to all those from across our network of churches who came together to make this event possible.

A big thanks to our incredible guests, Yvonne Bonner (soprano) and Caroline Soresby (piano), who delighted us with 'Jerusalem'.

We'll be posting highlights of the event on our social media.

What's the gospel worth?

**THE KINGDOM OF
HEAVEN BELONGS TO
SUCH AS THESE**

Matthew 19:14

Lena, one of our interns, recently shared with us a wonderful testimony from one of our lunch clubs in a school.

A little girl came up to Lena and asked, 'how much does this club cost and do you get paid?' Lena explained she didn't get paid, and did it out of love. And, it was FREE because we receive donations from very kind people who care about children. The little girl was amazed. She went out to her school bag and, coming back with £2 in her hand, exclaimed that she wanted to give it to her. She wanted to pay for being in the club. Lena, surprised, asked if that money belonged to her mum. The little girl proudly answered that it was her own pocket money. Truly touched, Lena explained she couldn't take the money however, she thanked her so much because what she did was very special. After their conversation, the little girl went on to recruit five or six more of her friends! This girl could truly see the value of what she received. What a story. Praise God!

Of course, running the clubs still costs money (travel, materials, staffing and preparation time). We estimate it costs about £25 per child per term. That's why we are so thankful to all our supporters for enabling this work and we are prayerfully trusting that there will be an increase to giving to cover our current costs. The gospel is worth it!

Paul Stewart

19TH APRIL 1965-19TH APRIL 2022

We are saddened to announce the passing of Paul Stewart on 19th April. Paul was a long time supporter of Pathway. He served as Chair and Trustee for many years. But the team here at Pathway will remember Paul by his faith and good humour, his love for the children and his dedication in giving them the opportunity to hear the good news of our Saviour Jesus Christ.

*"Now is your time of grief, but I will see you again and you will rejoice, and no one will take away your joy."
John 16:22*

Paul was an extremely wise and kind man with a great sense of humour. He will be greatly missed and we send our love and prayers to his wife Rebecca and daughters, Rosie, Issie and Helena.

Niki Evans
Chair of Pathway Trustees

My lasting memory of Paul Stewart is the way his face would light up when I would tell him my latest testimony of how the Lord had been working in the lives of the children we work with. As Chair of the Trustees he always encouraged me to 'dream big' when looking to the future, not to limit what the Lord might do in us and through us, to have faith that the Lord could do works beyond what we might expect. But more than that, he would always take time to ask how I was, beyond the ministry, he was interested in me as a person. He was a beautiful man and I am thankful to have known him.
